## 'MARTHA' PLEASES MUSIC LOVERS

Community Singing Society  
Charms Large Audience  
with Presentation.

The Community Singing Society, under the direction of Mr. Albert W. Harned, presented the melodious opera, "Martha," to a large audience at the Belasco Theater last evening. The performance was highly meritorious and superior in organization and vocal excellence to the usual amateur production.

The scenery and costumes were of a high order and the work of the soloists was exceedingly enjoyable. Miss Viola Louise Schipert sang the part of Martha and proved a capable actress, possessing a clear and sweet soprano voice of good range and power.

Miss Jessie Masters sang the role of Nancy, and, barring a slight nervousness, made a decidedly favorable impression, and after her solo in the fourth act received a hearty encore.

Mr. John H. Phillips, who came from New York to sing "Plunkett," made the most of the comedy spirit in his part and sang with energy.

Mr. Harry Stevens appeared as the romantic "Lionel" and it is regretted that he did not sing the famous tenor solo in the fourth act, as his voice is wonderfully sweet and he sings with ease, and the song would have been an added pleasure.

An innovation in the fair scene was the dancing of Mlle. Fialva, who gave an Egyptian dance of great beauty. Mlle. Fialva was recognized as a former Washington girl, who has been noted for her graceful dancing since childhood.

One of the most pleasing vocal numbers of the evening was the "Good-Night" quartet in the third act, sung by Miss Schipert, Miss Masters, Mr. Phillips and Mr. Stevens. Their voices blended harmoniously and their tones were shaded with exactness.

The choruses were splendidly sung by the youthful members, who evidently had been trained by the director. All the members of the cast, with the exceptions of Mr. Phillips, and Mr. Charles W. Meyer, who played the comic Sir Telstan, exceedingly well, were local singers. They entered into their work with an enthusiasm which brought a responsive mood from the audience and encores were numerous.

The members of the cast and chorus were Viola Louise Schipert, Jessie Masters, Florence Steffens, Charles W. Meyer, John H. Phillips, M. Harry Stevens, Harry M. Forker, Jennie Kimmel, Sarah Stone Hickling, Mable Foote Witman, Lulu McCabe, May Thompson, Marjorie Bowie, Katie and Mary Goldstein, E. R. Wilman, Joe N. Bourne, E. R. Wilman, W. ## EVERYONE SHOULD DRINK HOT WATER IN THE MORNING

Wash Away All the Stomach, Liver and Bowel Poisons Before Breakfast.

To feel your best day in and day out, to feel clean inside, no sour bile to coat your tongue and sicken your breath or dull your head; no constipation, bilious attacks, sick headaches, colds, catarrh, indigestion, acid stomach, you must bathe on the inside like you bathe outside. This is vastly more important, because the skin pores do not absorb impurities in the blood, while the bowel pores do, says a well-known physician.

To keep these poisons and toxins well flushed from the stomach, liver, kidneys, and bowels, drink before breakfast each day a glass of hot water with a teaspoonful of limestone phosphate in it. This will cleanse, purify, and freshen the entire alimentary tract, before putting more food into the stomach.

Get a quarter pound of limestone phosphate from your pharmacist. It is inexpensive and almost tasteless, except a sourish twinge, which is not unpleasant. Drink phosphated hot water every morning to rid your system of those vile poisons and toxins; also to prevent their formation.

To feel like young folks feel; like you felt before your blood, nerves, and muscles became saturated with an accumulation of bad poisons, begin this treatment, and above all, keep it up! As soap and water act upon the skin, cleansing and sweetening and purifying, so limestone phosphate and hot water before breakfast act on the stomach, liver, kidneys and bowels.

## CARNIVAL PLANS ARE PRETENTIOUS

Mid-City Citizens Association  
to Add to Upper Seventh  
Street Attractions.

Members of the Mid-City Citizens' Association last night began plans for an Upper Seventh street carnival next fall. They intend to make this a greater attraction than that of last October. Cooper, Frank Brenahan, Harry Hahn, Frank Butler, J. Thompson, and John Geyer.

This was done at the meeting of the association last evening in the office of Thomas E. Petty, at Fourteenth and U. streets northwest. The association endorsed the idea of protesting to the Senate against the elimination of the half-and-half plan, in the District fiscal plan. It will seek, also, to have a branch post-office restored in U. street, between Fourteenth and Fifteenth, and President Driscoll named Thomas E. Petty, W. D. Barry, and Wade H. Cooper a
